Guidelines

Respondents are encouraged to follow these guidelines:

- clearly identify the proposed changes and outline the rationale;
- include supporting information about the occupation, such as:
 - main work duties;
 - certification or licensing requirements (if applicable);
 - educational background, tools and technology used, as well as experience required for entry into the occupation;
 - current job titles used in the Canadian labour market; and
 - reports, studies, hyperlinks, experts and sources of information you may have used, or any other information that would help us in our research initiative.
